JACKSON ACADEMY 7:30PM

Immerse yourself in Silvestov's touching *Prayer for the Ukraine*, the crystal clear splendor of Stravinsky's *Symphonies of Wind Instruments*, and Skoryk's moving *Melody from "The High Pass"*. Then get ready for the dazzling orchestral fireworks and intoxicating melodies of Rachmaninoff's *Symphony No. 2*. This evening of Ukrainian compositions, Russian neoclassical innovation and monumental indulgence hits all the right notes for the start of a radiant season.

EPIC DREAMSCAPE

11.22.25

JACKSON ACADEMY 7:30PM

The sonorous and sparkling virtuosity of MSO Principal Clarinetist **Jorge Diez** holds the spotlight in two definitive works by **Debussy** and **Weber**. Plus, **Berlioz's** daring blockbuster *Symphonie Fantastique* engages the senses and enlivens the imagination to deliver a bold genius-stroke of a finish, in a program that will take you places, you never knew you wanted to go.

MIGHTY KEYS

3.28.26 THALIA MARA HALL 7:30PM

Pianist **Alon Goldstein**, an MSO audience favorite, is back in the solo spotlight, supplying all the drama, passion and expressive verve that **Brahms' Piano Concerto No. 1** demands. Everything is kicked up a notch in this concerto, and Goldstein meets this monumental moment head-on. *Lt. Kijé Suite*, **Prokofiev's** first film score, delivers the biting humor that made it his best-known and most-frequently recorded work.

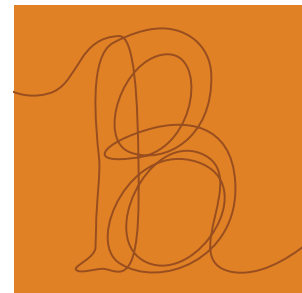

TRANSCENDENT VOICES

1.24.26

CHRIST UNITED METHODIST
CHURCH 7:30PM

The intensely moving prelude of **Wagner's Parsifal** and ethereal beauty of **Crafton Beck's Passage** set the stage for an extraordinary interwoven dialogue between **Joel Thompson's** powerful and critically-acclaimed *Seven Last Words of the Unarmed* and **Gabriel Faure's** serene and comforting *Requiem*. Jackson State University Chorale joins MSO in a program that will touch your soul and transform your spirit.

ULTIMATE BEETHOVEN

2.28.26

THALIA MARA HALL 7:30PM

You know the name, now brace for the impact of the master's music live! **Beethoven's** sublime *Violin Concerto* is among his most transcendent works, and international sensation **William Hagen** is back by popular demand to bring flair and consummate artistry to the task. **Beethoven's** playfully imaginative and bold *Symphony No. 2* makes this evening a perfect balance of genius.
